Dear Ms. Timian:

Thank you for giving our students the opportunity to check out books from the UGA Library. Your willingness to allow us to access your collection provides our students and faculty with a much broader base for conducting research than we could offer on our own. We greatly appreciate your generosity.

_____ is a student in good standing in University of Toccoa Falls who we feel will not abuse the privileges you have extended. The student has been advised that if these privileges are abused they will be revoked immediately. I am requesting borrowing privileges for this student for the current semester.

Again, thank you for your help and cooperation. We sincerely appreciate the services you have extended and the interest you shown in our students and faculty.

Sincerely
Selina Slate – Library Director
